Subject: Arborist Report Ficus Drupacae Library

Ella:

I'm writing to you requesting a copy of the arborist report about the Ficus Drupacae tree in the courtyard of the library.

I've been told second hand of some of the findings and I am confused by them and would like to see the report itself.

This is in regards to the tree that is designated one of California's largest:

https://californiabigtrees.calpoly.edu/bt-tree-detail/548

Thanks,

Richard Schave
